## CIRCULAR NOTE

All importers of cargo into the Central African Republic are being informed that as from the signature date of this Circular Note, the delivery of ECTN's (Electronic Cargo Tracking Notes) issued in Douala (Republic of Cameroon) or any other transit port is strictly forbidden.

Only the Electronic CTN delivered by the representations in the loading ports is considered as conform to the conditions of the Contract signed between the Government of the Central African Republic and Antaser BVBA.

Any importers who wouldn't dispose of a regular ECTN issued at the loading port are requested to contact their exporter/supplier or Antaser Bvba Antwerp ([ctnantaser@antaser.com](mailto:ctnantaser@antaser.com)) for on line regularization, considering payment of fines applied by the Transit Office of the C.A.R. in Douala.

It is mandatory that the ECTN number is being confirmed in the corresponding Bill of Lading.
